Dear Darren,

I am writing to thank you for your contribution to Scripture Union's recent Quiz Night. The night raised funds of approximately \$4,000 toward the work of equipping volunteers across South Australia to run valuable programs for children, young people and families.

The night was a great occasion with in excess of the anticipated 200 people taking part in what was a fun, informative and successful evening. Many people learnt of the work of Scripture Union for the first time. Regardless, the whole night was highly entertaining and a great fundraiser.

We are very grateful for your contribution to making the night such a great success. It is only with the support of members from the South Australian community that we can continue to make a real difference in the lives of children, young people and families. You have helped to make that difference.

If you are interested in how you may be involved in supporting the work of Scripture Union in the future, I would be happy to discuss some ways in which you and your organisation can do so. In the meantime, celebrate with me the success of this occasion.

Yours faithfully,

Mark Schultz
State Director
